Description

A traditionally elegant collection of luxurious contemporary satin jacquards and printed velvets. Anzio, a large scale damask, depicts scrolling leaves and stylised fruits, creating decadence in any interiors, complimented by smaller scale jacquards. Melfi, medallion, and Ortona, hand painted Jacobean, both printed on a luxurious velvet, perfect for upholstery as well as curtains. Available in a rich and indulgent colour palette, from decadent berry to deep inks and emeralds.
