Large Georgian Rope Trellis

Description

A familiar Cole & Son archive wallpaper has been revived in a range of elegant and genteel colourings. Featuring the popular classical rope and medallion trellis motif, these seven new shades include a rich emperor yellow, soft duck egg, olive, grey, flax, linen and ivory. Colours shown on-screen may vary from the original wallpaper, we therefore recommend ordering a sample to view the true colours. We recommend that you use Cole & Son Tub Paste.
